

School-Parent Compact

Mary Lee Clark Elementary School

2018-2019

Revision Date: 6/4/18 Adoption Date:

Dear Parent/Guardian,

Mary Lee Clark Elementary School, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Mary Lee Clark Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the fall each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

Camden County Schools Goals:

- To increase the percentage of 3-12 grade students designated as proficient or higher on the ELA GMAS from 54% in 2018 to 57% in 2019, and 60% in 2020.
- Increase the percentage of all students designated as proficient or higher on the Math GMAS from 58% in 2018 to 61% in 2019, and 64% in 2020.

Mary Lee Clark Goals:

- Increase the Lexile Levels of all students by an average of 100 points per year.
- To increase the mathematical fluency of all learners.

To help your child meet the district and school goals, the school, you, and your child will work together to:

SCHOOL/TEACHER RESPONSIBILITIES:

Mary Lee Clark will:
